RENAULT DUSTER

DRIVE THE CHANGE

A CENTURY OF RENAULT

Renault's journey has been a long one. For over 114 years, we've written and rewritten the automobile story, adding an interesting chapter every time. And many revolutionary firsts. The gearbox. The sedan. The turbocharger. The hatchback. The MPV. Inventions that didn't just change the way the world travelled, but also changed the way the world looked at automobiles.

For more than 30 years, Renault has been pushing the limits of motor sports and technology. At the inaugural Indian F1 Grand Prix in 2011, our engine powered Red Bull Racing to victory. The 2011 F1 season witnessed Renault winning its 10th Constructor's Championship in the last 20 years. In India, Renault redefined the sedan segment with the Renault Fluence, urged SUV lovers to indulge with the Renault Koleos and rejuvenated the compact category with Renault Pulse. Now it's time to welcome the new Renault Duster.

RENAULT DUSTER

The international styling of the new Renault Duster turns heads no matter where you go. Its unique design allows it to adapt naturally to any kind of terrain. While its unmatched fuel efficiency lets you drive deeper into the wilderness, its state-of-the-art safety features keep all worries at bay. Muscular to its core, the Renault Duster is an adventurer's true dream machine. Packed with a host of smart features, it helps you get through everyday life in a breeze. The Renault Duster. Unstoppable, just like you.

**THE NEW RENAULT DUSTER.
BIG. BEAUTIFUL. EFFICIENT.**

BIG. BEAUTIFUL. EFFICIENT.

BIG ON COMFORT & SAFETY.

Safety needs can never be underestimated. But that's no excuse for compromising on comfort. It's a balancing act that the Renault Duster accepts as a challenge and delivers on skillfully. The result is an SUV that marries the comforts of a sedan, to the rugged strength of an off-roader. Take for example, the spacious interiors that complement the grand vistas outside. The 8 way adjustable driver seat means that fatigue has a much lesser chance of overtaking you on a

long drive. Tilt steering allows you to find the most comfortable driving position. There's even a rear AC with independent controls for rear seat passengers. What's more, the new Renault Duster is also one of the safest places to be. The high seating position offers you a better view of the road. Both the active and passive safety features are always hard at work, ensuring every drive is totally safe.

COMFORT & CONVENIENCE

1) 8 WAY ADJUSTABLE DRIVER SEAT

The driver seat is 8 way adjustable for sliding, reclining, height & lumbar to precisely offer you the best driving position for reduced fatigue, resulting in supreme comfort.

2) ELECTRICALLY ADJUSTABLE OUTSIDE MIRRORS

With just the press of a button, the driver can adjust both the outside rearview mirrors to suit his driving position.

3) REAR SEAT CENTER ARMREST WITH CUPHOLDER

For those who are always on the go, the rear seat passengers have an arm rest with cup holders for added comfort and convenience.

4) STEERING MOUNTED AUDIO AND PHONE CONTROLS

The user-friendly steering mounted controls on the Renault Duster, offers easy handling of both audio and telephonic devices.

5) TILT STEERING

Find the most comfortable driving position for yourself with the Tilt steering.

6) INTEGRATED AUDIO SYSTEM

The Renault Duster comes equipped with an Integrated 2 DIN audio system (CD/MP3/AM/FM) with 4 speakers, along with USB, AUX-IN port. It also has bluetooth connectivity for receiving & making calls, and streaming your favourite music from your cellphone, making each drive an entertaining one.

7) REAR AC WITH INDEPENDENT CONTROL

Passengers in the rear seats have adjustable AC vents with an independent control for maximum comfort and convenience. It also helps in balancing the temperature within the cabin.

8) REAR 12V SOCKET

In addition to the charging socket in the front, there's a 12V socket in the rear, making it convenient to charge cellphone, laptop, or a video game.

9) ONBOARD TRIP COMPUTER

The trip computer helps you keep a track of distances travelled, average speed, average fuel consumption and most importantly distance to empty.

10) TRUNKROOM STORAGE SPACE

With 475 litres of trunk space, the Renault Duster boasts of a large boot space that can pack in all the travel gear required for a vacation. The trunk space can be further increased to 1064 litres by folding the second row of seats.

11) HEIGHT ADJUSTABLE FRONT SEAT BELTS

For added seating comfort, the height of front seat belts can be adjusted as per the seating position of the driver.

12) REAR PARCEL SHELF WITH STORAGE SPACE

Grooved parcel shelf in the rear that's apt for storing small utility items like files, soft toys, etc. fits snugly above the parcel shelf to maximize boot capacity.

13) FRONT AND REAR READING LAMPS

Renault Duster has individual reading lamps that enables the occupants to adjust the lighting as per their requirement.

14) ELECTRIC TRUNK RELEASE

The trunk has an electric release, centrally controlled through the Keyless entry system.

15) KEYLESS ENTRY WITH ANSWER BACK FUNCTION

Keyless Entry with central locking/unlocking has an added key Answer back function, which illuminates the car interior when unlocked, making it convenient to locate and enter the SUV.

SAFETY

1) DUAL FRONT AIRBAGS

The SUV is equipped with two airbags located in the front which reduce the risk of fatal injuries to driver and the passenger in the event of a frontal collision.

2) ABS WITH EBD AND BRAKE ASSIST

ABS combined with EBD and Brake Assist help the driver keep control of the vehicle under panic braking.

3) FRONT FOG LAMPS

Improves visibility in fog or rain while enhancing the stylish looks of the SUV.

4) REAR DEFOGGER, REAR WIPER AND WASHER

The rear defogger helps defog the wind screen while the rear wiper (with washer) provides clear vision of the objects behind.

5) REVERSE PARKING SENSORS

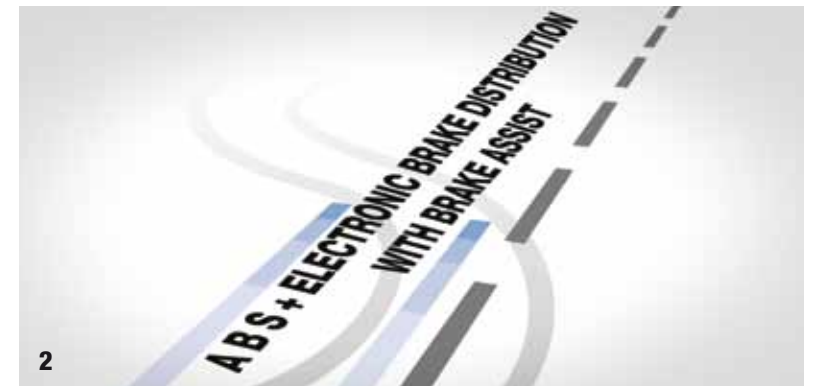

It helps you by indicating about objects coming closer to the rear bumper of your SUV while reversing, thus aiding you to park your vehicle in tight spots.

6) MONOCOQUE BODY

The Renault Duster has a monocoque body which provides increased torsional rigidity, handling and safety.

7) ENGINE IMMOBILIZER

The engine immobilizer prevents anyone without the original key from turning on the ignition, which acts as an additional measure of security against unauthorized entry.

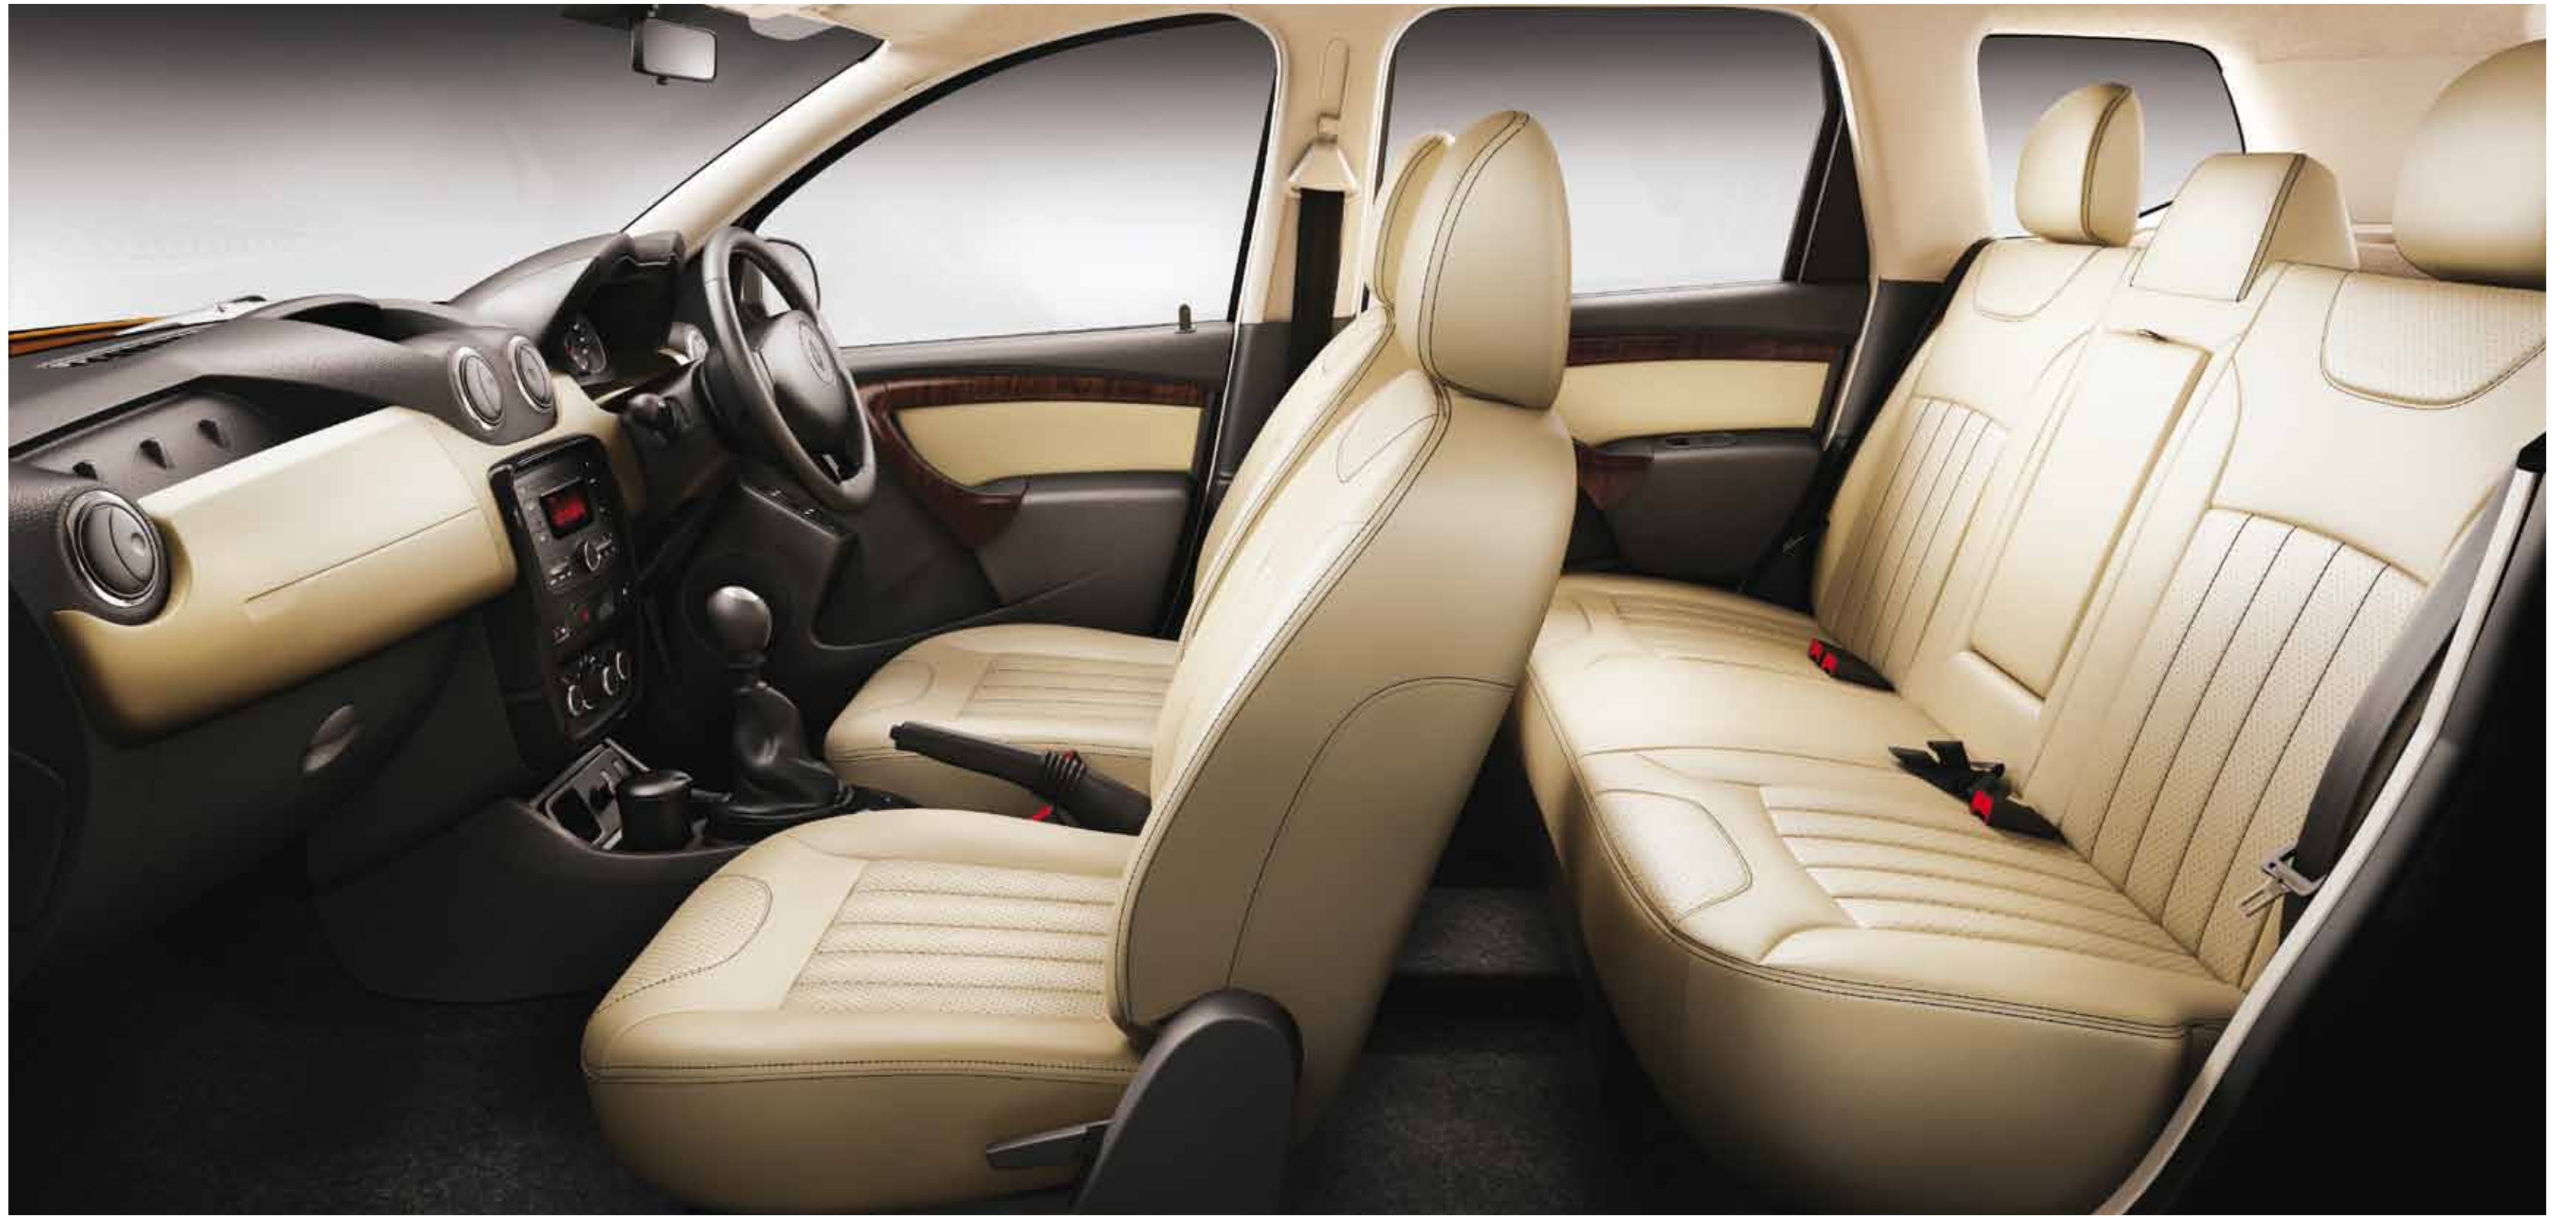

BEAUTIFUL INSIDE OUT.

The explorer in you finds its match. The Renault Duster is an embodiment of a bold, sporty and masculine character. International styling and design add to its distinctive identity on the road while the dual tone premium leather

seats with beige coloured interiors enhance the pleasures of travel. Simply set off on an unwinding long drive, or an adventurous road trip with the new Renault Duster and every journey is sure to be extraordinary.

DESIGN

1) DOUBLE BARREL HEADLAMPS

The double barrel headlamps not only provide better visibility, but also add to the style quotient of the Renault Duster.

2) CHROME GRILLE FINISH

The imposing lines of the chrome front grille and the skid plates bring out the SUV DNA of the Renault Duster.

3) TAILGATE CHROME GARNISH

The tailgate has a large chrome finisher with Duster engraved on it, adding to its dynamic look.

4) STYLISH ROOF RAILS

The roof rails add to the sporty character of the SUV.

5) SPORTY ALUMINIUM ALLOY WHEELS

The Renault Duster comes fitted with spiral solid, 5 spoke and 16 inch alloy wheels that urge you to take it off road.

6) CHROME EXHAUST PIPE FINISHER

A chrome tipped single exhaust pipe, rounds off the chrome package of the Renault Duster.

7) LEATHER WRAPPED STEERING WHEEL & GEAR KNOB FINISH

The steering wheel and gear knob on the Renault Duster comes wrapped in leather for a better grip and comfort.

8) CHOICE OF INTERIOR TRIM

The Renault Duster is available in three distinct interior trims across the RxE (8a), RxL (8b), RxZ (8c), respectively. The RxZ variant is also available with a leather option (8d).

EFFORTLESSLY EFFICIENT.

Rediscover the pleasures of effortless driving with the new Renault Duster. This trendsetting SUV is available in two fuel options and three engine options. A short turning radius of 5.2 m makes the Renault Duster extremely agile and easy to manoeuvre in tight corners. A high torque at low RPM makes for easy driving in the city, while an excellent engine response makes driving over rough terrains effortless.

The suspension and the underbody have been strengthened to handle all types of road conditions. Experience class leading fuel efficiency, lower maintenance, lesser CO₂ emissions and a zippy performance in the new Renault Duster.

PERFORMANCE

1) 1.5 dCi DIESEL ENGINE

The Renault Duster boasts of the renowned K9K 1.5 dCi diesel engine and offers you a choice of two power outputs : 110 PS and 85 PS.The powerful 110 PS version has a 6 speed manual transmission with gear ratios perfectly matched to the engine's output. As a result, everyday drives in the start and stop city conditions remain pleasurable. At the same time, it ensures an ability to cruise at high speeds on the highways. That too, with a fuel efficiency of 19.01 KMPL.*

The 85 PS features a 5 speed manual transmission that gives you the best drive in stop and go traffic conditions and delivers a best in class fuel efficiency of 20.45 KMPL.*

2) 1.6 LITRE PETROL ENGINE

If gasoline is your choice, then Renault Duster comes with a 1.6 litre petrol engine that produces the right combination of power and torque (104 PS and 145 Nm) required for a smooth drive. Coupled with a 5 speed manual transmission, it delivers a mileage of 13.24 KMPL.*

3) SHORT TURNING RADIUS

The best in class turning radius of 5.2 m (lesser than most of the sedans), offers supple manoeuvrability and adds liveliness to the drive when driving through tight corners.

4) GROUND CLEARANCE

The Renault Duster stands tall with a best in class ground clearance of 205 mm. As a result, it is a perfect fit for negotiating bumps or driving on badly laid roads.

5) SUSPENSION

The suspension system, as well as the vehicle body has been strengthened to handle any terrain. The combination of the light weight body & compact size makes it agile on any surface.
