**DESIGNED SO
THOUGHTFULLY,
YOU'LL SURELY
FEEL THE LOVE.**

The New Vento is everything that engineering can do, and more. It feels like it wasn't born of the assembly line; but out of the unconditional giving that comes when someone pours their heart into it.

Little wonder that it comes with a new-look exterior, cruise control, an air-conditioned glove box, electrically foldable mirrors and many more thoughtful features. So come, drive the all New Vento and get ready to feel the love.

STYLING

LOVE ISN'T BLIND. IN FACT,
IT'S GOT QUITE THE
EYE FOR DETAIL.

One look at the New Vento and you'll know that it's been obsessed over, till a few cheeks turned pink. The front has been adorned with a bold new bumper and a chrome-finished grille¹. And the hood too, has sharper lines that nicely complement the headlamps². Even the air-intake and fog lights³, with static cornering lights, look a whole lot sleeker. And to top it off, it's got new electrically-foldable side mirrors that come with sleek new turn indicators⁴.

The rear too, features an all new bumper and 3D tail-lamps¹.
And there's more chrome as well. The door handles are covered in chrome², and so is the exhaust and the strip over it³.
And with its slick rear reflectors and bold alloy wheels⁴, it's no wonder this car looks just as good as it feels.

DASHBOARD

ALWAYS BY YOUR SIDE.

With the dashboard, everything you could ever need is just a button away. A state-of-the-art entertainment system, driving controls, a multi-function display; you name it. And then there's also the sporty flat-bottom steering wheel that's sure to set your pulse racing. Couple that with cruise control, and you've got every reason to daydream about taking this beauty for a spin.

INTERIOR

REAL BEAUTY IS WHAT'S ON THE INSIDE.

If the interiors of the New Vento make you feel like we just couldn't stop thinking about it, that's probably because we couldn't. Over time, we kept showering it with thoughtful features like a Climatronic air-conditioner¹, rear AC vents², cruise control³ and a dead pedal to make those long drives feel shorter. The luxuriously upholstered seats also include a height-adjustable driver's seat⁴, and foldable armrests for the ones in the back⁵.

We also gave the steering wheel a multi-function console⁶ with voice control. And not to mention, an air-conditioned glove box⁷ to ensure you a cool drink when you need one.

SPACE

NO MATTER WHAT YOU LOVE, IT LOVES IT TOO.

You'll especially love those long drives when you can carry everything you'd need with you. And the thoughtfully designed trunk lets you do just that. Not only does it offer you loads of space, it also comes with a low loading height, illumination and a soft-touch boot opener¹, so that it's always easy to put your luggage in. The insides too are designed to hold the smaller things dear to you. Like a concealed mobile phone holder under the front armrest², bottle holders on every door³ and even a cup holder in the front⁴.

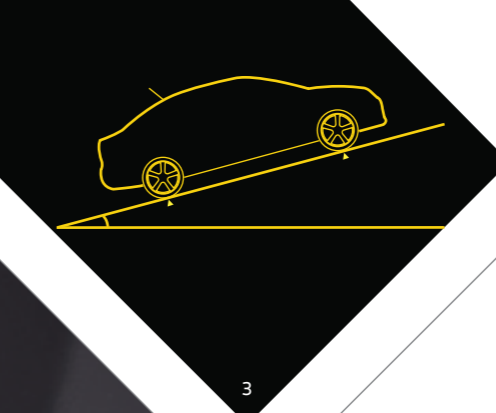

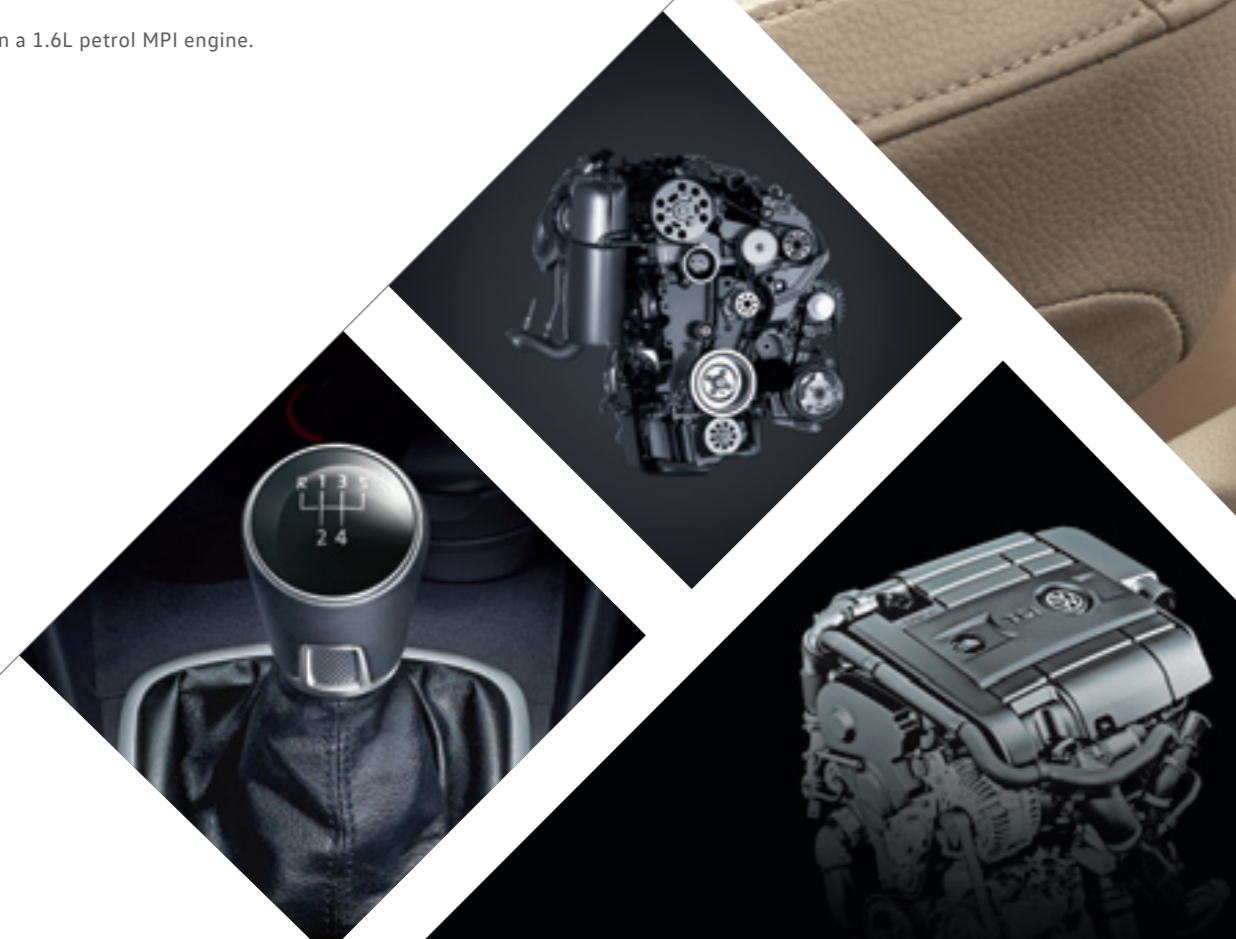

ENGINE

MATTERS OF THE HEART.

The heart of the New Vento is a powerful 1.5L TDI engine, which gives you 105 PS of power and 250 Nm of torque. And what really makes it magical is a first-in-its-class 7-speed automatic Dual-Shift Gearbox that lets the engine effortlessly switch gears.

Of course, you can also choose* from a 1.2L TSI engine with the same 7-speed automatic DSG transmission. And with a fuel consumption of 18.19 km/l (TSI) and 21.50 km/l (TDI), you know that this car definitely won't break your heart.

*Also available in a 1.6L petrol MPI engine.

SAFETY

WHAT'S LOVE WITHOUT SOME CARE AND CONCERN?

The New Vento's Anti-lock Braking System (ABS)¹ and Electronic Stabilisation Programme (ESP)² always keep you in firm control on slippery roads or during heavy braking. And its Hill Hold function³ keeps your car from rolling back on a slope.

The New Vento also comes with anti-pinch technology⁴ that stops windows from closing on sensing even the slightest obstacle in the way. And with dual front airbags⁵ as standard and rear parking sensors⁶ for the back, you've got a car that has you covered from every side.

What's more, the key of the New Vento also has a standard electronic immobiliser anti-theft device. So that your heart would be the only thing that's stolen.

Volkswagen Service for your peace of mind.

Volkswagen Warranty and Extended Warranty: The New Volkswagen Vento comes with a standard warranty of two years, unlimited kilometres, and can be extended at an additional cost for a further one year and up to 80,000 kms. Or two years and up to 1,00,000 kms from the date of sale (whichever is earlier). All this, to protect your car against the defects of most mechanical and electrical components due to manufacturing defects. All periodic maintenance at recommended intervals and warranty work must be completed by an authorised Volkswagen dealer.

3-year Paint Warranty and 6-year Anti-perforation Warranty: The paintwork of the New Vento is covered against manufacturing defects for a period up to three years and the vehicle body parts for a period of six years from the date of sale against perforation caused by corrosion. Naturally, the New Vento must be cared for in compliance with the operating instructions, which will be found in your vehicle handbook, and all body repairs must be done at an authorised Volkswagen dealer.

Volkswagen Roadside Assistance: Every new car is registered for Volkswagen India Roadside Assistance for two years from its date of sale. This provides the vehicle with home and roadside recovery in the unlikely event of a breakdown anywhere in India (subject to terms and conditions). This service can be extended for either one or two additional years.

Periodic Maintenance: The service interval of your Volkswagen is scheduled for every 15,000 kms or one year. With a free inspection at 7,500 kms or 6 months, whichever is earlier.

For more details, please consult your nearest authorised Volkswagen dealer. For further details about warranty, contact a Volkswagen dealer or Volkswagen Roadside Assistance, 24x7, anytime, anywhere.

Please note: The features and specifications contained in this brochure are for informational purposes only and are subject to change without prior notice. The print process does not allow for exact reproduction of paint finish and seat upholstery colours. If you require any specific feature, you must consult your authorised Volkswagen dealer, who is regularly updated with any change in specifications. Please check model availability and full specification details with your authorised Volkswagen dealer prior to ordering. We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. Terms and conditions apply.
