REXTON
by Mahindra

INDULGE YOURSELF

THE REXTON GENUINE ACCESSORIES COLLECTION.
A CUT ABOVE THE REST.

Mahindra
Genuine
Accessories

Excellence is nothing new to you. It's no different for the Rexton. That's why we have an entire collection of genuine accessories. To make sure that the style quotient of your Rexton stays high. Always.

STYLE

MAKE A STATEMENT.

Body decals

Decals should enhance the design and form of your Rexton; not overpower it. That's why these decals come with subtle lines and muted colours. And they are computer die-cut tint vinyls which means accuracy is guaranteed.

Seat covers

These seat covers not only complement the classy looks of the Rexton, they also withstand the rigours of time.

- High-grade fabric
- Easy-to-clean, odourless and tear-resistant
- Perfect cut for that perfect fit

SAFETY

BE SECURE. BE EXTRA SECURE.

Front bull bar

The front bull bar says 'invincible' all the way. It's made of high tensile stainless steel for utmost strength and reliability.

- Complete frontal protection
- Rubber moulding to prevent damage to other cars
- Airbag compatible

Rear protection beam

Make sure that that little nudge from the rear or that bump that comes out of nowhere do no harm to your car. And do it in style.

- Polished stainless steel finishing
- Protects rear bumper from scratches and dents

Night vision rear parking camera

Here's a feature that ensures your safety, protects the car and alerts you to playful kids and pets when you're reversing. With night vision that makes it effective even in poor light conditions.

- 3.5" TFT LCD monitor with a 2-channel video input
- Complete water resistant camera integrated into rear bumper
- High resolution and wide coverage area
- Auto-activate while reversing

Full body cover

Keep your Rexton safe from dust, rain or the mischief of birds; with a full body cover. And make sure you arrive in style at all times.

- High quality fabric
- Water resistant

Headrest mounted monitors

Keep that winning habit of yours going. With a full gaming console that comes with pre-loaded games. And if you want to take a break from winning then play your favourite videos as well.

- 7-inch TFT colour monitors
- Built-in DVD player
- USB port, SD card reader (for various video and picture formats)

In-car inverter

Here's an accessory that makes sure you never run out of power. Whether you're working or taking a break from work.

- Converts DC power (12V DC) into AC power (230V AC)
- Charges your cell-phone, laptop, digital camera, mini DVD player, portable massager and others
- Compatible with all types of equipment which need power up to 100 Watts

Head Upright Display (HUD)

Now you don't have to take your eyes off the road when you want to look at the speedometer. The HUD system projects this information on the front windshield, within your field of vision as you look at the road ahead.

- Speed and battery voltage details
- High speed alert
- Higher safety on the road

Live TV

Stay in touch with your stocks. Get market updates. Or just sit back and enjoy a movie on the go.

- Live reception of cricket matches and all major channels
- Get movies-on-demand
- Watch streaming YouTube videos

UTILITY

FUNCTIONALITY THAT COMES WITH FLAIR.

Roof carrier

It's just what you need for all the extras that your adventure demands. And like every other accessory, this roof carrier is made to enhance the lines of the Rexton.

- Heavy-duty structure
- Made of rust-proof aluminium
- Requires no special tools for installation

Coat hanger

Your seat back can now double as a coat hanger. Find that unbelievable? Take a look.

- Attaches to the seat headrest
- No tools or assembly required
- Does not obstruct driver's rear view like conventional hangers

Floor mats

Think of these mats as 4-in-1s. They're transparent, they're elegant, they cushion your feet and they trap dirt.

- Tailored to fit perfectly into the floor area
- Non-slip underside
- Made from highly durable PVC

In-car chiller

There's nothing like a glass of something cool after a long day at work or play. Just why we have this in-car cooler for you.

- Low power consumption and ozone-friendly insulation
- Works perfectly even in high ambient temperatures
- Operates on both 12V DC as well as 240V AC

For more information, call us at 1800-266-7000.
